

【 Quiet at All Speeds 】 Better cool begins with quieter sound. Acoustically designed airflow system hugely reduces noises from motor and fan. This mini air conditioner also adopts hyper-precision bearing to provide ultra quiet cooling at all speeds, not disturb your life, work or sleep.

【 Powerful Meets Portable 】 VICELEC's all-in-one airflow system combines with 2 misting humidification holes and a supercharged electric motor, delivering high-speed, brisk cool and refreshing airflow. This 12-inch portable ac air conditioner exhilarates every inch of air in your living space moving air up to 20ft/s. In addition, you can add cold tap water or mineral water and ice cubes on top for even better cold air effect.

【 Multi-functional 】 Five in one design, it is a cute small personal air cooler, a desk fan, humidifier, diffuser and LED night light. VICELEC ac fan is built-in 7 soft colors night light, you can choose your favorite color by touching the "LIGHT" button. The center sponge allows you to add a few drop of essential oils. Moreover, this misting fan is equipped with USB charging port, it can be powered by mobile power, adapter, car charger, power strip.

【 Easy to Clean & Safe to Use 】 Removable wind deflector make cleaning more accessible. Designed with fingertip pinch-proof grills, a fused plug and built-in circuit protection, this ETL-listed standing fan ensures safety is always prioritized.

【 Large Capacity Water Tank and Intimate Timer 】 With a 1200ml large capacity sealed water tank, the air conditioner portable for room can work for up to 8 hours (on low cool mist mode) when filled with water. The swamp cooler can be programmed for up to 8 hours, allowing you to enjoy your work, reading or deep sleep without getting a headache and cold from blowing cool air for a long time. (Note: When the water level is too low, the water shortage protection function will automatically stop spraying cool mist)

【 Fantastic Airflow Customization 】 This compact small ac unit for bedroom features with 3 speed modes (Low/Medium/High) and 120°Up and Down adjustable air direction design. Even more, the portable fan also features 3 spray modes (low/medium/high), you can choose the ideal air direction and mode according to your needs. (Note: Adapter not included, suitable for USB adapter above 5V 2A).

【 Remote Control & Fit Anywhere 】 With a compact design and a convenient handle, you can easily carry this portable air conditioner to your bedroom, living room or elsewhere. Remote allows you to control your ac fan from 16 feet away while working or sleeping. A perfect choice for home and office. It is also great for camping and other outdoor activities in the hot summer.
