

Translucent cylinders fit into the perforated wooden disk to create vibrant mandala patterns. Designed for flat tabletop exploration or vertical balance, this creative set fosters color theory exploration, visual symmetry, fine motor precision, and spatial reasoning.

PERFORATED BASE
Ø 45 cm Natural Solid Wood Board

TRANSLUCENT CYLINDERS
Ø 2.5 cm Polished Acrylic Rods

PACKAGE CONTENTS
30 Rods (10x 5cm, 10x 7cm, 10x 10cm) + 1 Board

⚠ SAFETY WARNINGS & GUIDELINES

- **CHOKING HAZARD – Small / Cylindrical Parts:** Not suitable for children under 3 years of age
- **Adult Supervision Required:** Direct adult guidance and supervision are recommended during unpacking and play.
- **Impact & Fracture Caution:** Acrylic cylinders may chip or crack if dropped from heights onto stone or tile surfaces. Do not step on parts.
- **Regular Inspection:** Regularly inspect the wooden board for splinters and acrylic rods for sharp edges. Immediately discard damaged components.
- **Heat & Flammability:** Keep all components away from open flames, space heaters, and high-temperature environments.

CARE, CLEANING & MAINTENANCE

Wooden Base

Wipe clean using a dry or slightly damp soft cloth. Never submerge in water or soak, as natural wood will absorb moisture and warp or crack.

Acrylic Rods

Clean with a microfiber cloth and mild soapy water. Never use alcohol, solvents, acetone, or abrasive sponges to preserve transparency

Proper Storage

Store flat in a dry, temperate environment. Protect from persistent direct sunlight and extreme humidity to prevent discoloration and warping
